

IMPACT STATEMENT

My name is XXXXXXXX. I have lived in Madison Heights since XXXX. I have X children that graduated from Madison High. I followed the school board meetings for years. I could never figure out how John David 's company kept getting all of the bids to do work at the Madison District schools. Then I became aware there was never any bids and it was always considered an emergency. Mr. David was also a very good friend of the District President, Al Morrison. Mr. David was given over \$551,667 to make sure he would get all of the work for the Madison District.

Our district is not a very wealthy district. This amount of money would have made a big difference in the lives and education of our students. As far as I am concerned a lot of my tax dollars have been given to Mr. David for nothing. Please help us recover the money that was intended for the students. --
